Type of Request: Intent to extend a currently approved information collection for three years.

Abstract: The HEP unit of USDA/CSREES administers several

competitive, peer-reviewed research and teaching programs, under which grants of a high-priority nature are awarded. These programs are authorized pursuant to the authorities contained in the National Agricultural Research, Extension, and Teaching Policy Act of 1977, as amended (7 U.S.C. 3101 et seq.), section 1417(b)(1) for the Challenge Grants Program (7 U.S.C. 3152), section 1417(b)(4) for the Capacity Building Grants Program (7 U.S.C. 3152), section 1455 for the Hispanic-Serving Institutions Education Grants Program (7 U.S.C. 3241), and the Equity in Educational Land-Grant Status Act of 1994 (7 U.S.C. 301 et seq.) for the Tribal Colleges Education Equity Grants Program.

The Hispanic-Serving Institutions Education Grants Program is intended to promote and strengthen the ability of Hispanic-Serving Institutions to carry out educational programs. The Tribal Colleges Education Equity Grants Program is intended to support projects that strengthen academic programs at the 1994 Land-Grant Institutions. All of these programs will, in turn, attract outstanding students and produce graduates capable of strengthening the Nation's food and agricultural scientific and professional work force.

Each year, HEP solicitations are issued requesting proposals for various
